Here's a little info...

WHEN & WHERE

Sept 26, 2026

10am – 10pm • SAP Office, San Ramon, CA

OUR MISSION

Bring an idea, get 12 hours to build it, and show what you made by the end of the day. No themes, no required tracks — just a room full of builders, free food, mentors, and the clock.

WHY WE'RE UNIQUE

Dublin Hacx is **Dublin's very first Dublin Hacx** — a single-day, 12-hour hackathon built by students, for students. It's run out of the **Emerald Hacking & Coding Club** at Emerald High School, not a company or a university. That means every dollar sponsors put in goes straight to meals, swag, and prizes for **170 hackers**, and every sponsor gets a direct line to the students actually building. There are no themes and no boxes to fit inside — just a working demo by 8pm.

COST TO HACKERS

1st

IN DUBLIN

*100% of sponsorship funds go directly to running the event.

One day that actually sticks.

Open-ended, on purpose. Bring any idea, build it into reality, and ship it in 12 hours — from first commit to live demo, with mentors and workshops to keep things moving.

10:00 AM	Check-In Arrive, sign in, grab your badge & swag bag.
10:30 AM	Opening Ceremony Sponsor intros, judging criteria, and the green light.
11:00 AM	Hacking Begins 12 hours start now. Build, ship, repeat.
1:00 PM	Lunch Hot meal to keep everyone fueled for the afternoon.
3:00 PM	Workshops Beginner-friendly sessions on web, AI, and hardware.
6:00 PM	Dinner Refuel for the final stretch of building.
8:00 PM	Hacking Ends Final commits, demo prep, and Devpost uploads.
8:30 PM	Judging Hackers show their projects to industry mentors.
9:30 PM	Awards Ceremony Winners announced, prizes handed out.
10:00 PM	Event Ends Pack up, say goodbyes, and head home.

Jasraj Tulsi

CO-FOUNDER • EMERALD HS

Runs the Emerald Hacking & Coding Club and Dublin Hacking's day-to-day.

Rachit Panchal

ADMIN • CO-FOUNDER • EMERALD HS

Handles the logistics so the day actually happens.

Most importantly, our sponsorship tiers:

Also you can always negotiate and design your own tier! Just ask.

Pricing reflects Dublin Haxx's venue, duration, and reach as our first year. In-kind contributions (food, swag, hardware, mentors) are always welcome and matched to value.

Questions, answered.

Who can attend?

Any high school student in the Bay Area. You don't need to be from Dublin or Emerald HS — bring your friends from any school.

Why should I sponsor Dublin Hacx?

You get in front of **170 of the Bay Area's most driven high-school builders** for a full 12 hours, with opt-in access to their resumes, GitHubs, and projects — and your brand ends up in every photo and every story they tell afterward.

How can I help?

Beyond a check, we welcome **mentors, judges, and workshop leaders**. You can also donate hardware, API or cloud credits, food, swag, or prizes — recognition is matched to what you contribute.

Where will my money go?

100% of funds go straight to meals, swag, and prizes for 170 students to build for free. Dublin Hacx is run through the Emerald Hacking & Coding Club — by students, for students.

Ready to Partner?

Help fund Dublin's very first Dublin Hacx. We're happy to build a custom package around your goals.
